And we do not stop at the expected: many times we have organized out-of-the-ordinary special programmes at short notice to meet specific requirements of our guests. To date, we have hosted group incentives for local enterprises as well as multinational corporations and non-governmental organizations from all corners of the world.

Weddings & Honeymoons

Weddings:

Every year an average of 30 couples from across the world choose our two resorts as the setting for their wedding. The reason is that we know just how stressful wedding preparations can be for the couple so we make sure the process is efficient and hassle-free yet as spectacular, fun and exotic as only a wedding on an idyllic African resort can be. Ever seen a wedding with a full Maasai warriors' guard-of-honour for the couple?

The Civil wedding ceremonies are conducted on a spot of the couple's choice within our gardens or the beach - or even on a wooden deck overlooking the Ocean. Religious Ceremonies require adequate notice for an Anglican Minister to be at hand.

The certificates issued in our weddings are internationally recognized.

Honeymoons:

Honeymoon at the Bluebay Resort & Spa is worthy of recounting to the grandchildren several generations down the line. In order to be part of those memories, we welcome our honeymoon couples with a bottle of sparkling wine and a bouquet of flowers upon arrival - and an upgrade to a superior room category where possible. A couple booked in one of our suites will receive an 'under the stars' dinner served either on the verandah of their room or on the beach with a bottle of wine at dinner, of course! And a minimum 7-night stay will accorded our couple complimentary dinner at the Bluebay premier restaurant, the *Bahari Restaurant* or on the beach, according to the guests' preference.
